

REMARKS

The Examiner is thanked for the thorough examination and search of the subject.

Applicants have amended the Specification to improve the Title, and to provide information on related patents and patent applications.

In regards to the Title, Applicants have amended the Title to "ELECTRONIC COMPONENT WITH DIE AND PASSIVE DEVICE" to limit the focus to the claimed invention. Applicants respectfully request that this title be entered by amendment.

In regards to the related patents and patent applications, Applicant has provided information on related patents and patent applications relevant to the present application.

In regards to the amended claims 243-258, 283-290 and 312-319, "insulation layer" is currently amended to "insulating layer". It is believed that the amendment does not add new matters.

RESPONSE TO ELECTION/RESTRICTION

In response to the Restriction Requirement mailed on Oct. 19, 2005, Applicants provisionally elect embodiment 1, containing Claims 231-240, 243-296, and 299-319, for

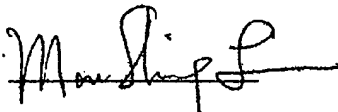

examination, wherein claims 243-258, 283-290 and 312-319 have been amended. Please cancel claims 1-230, 241, 242, 297, and 298.

CONCLUSION

Some or all of the pending claims are believed to be in condition for allowance. Accordingly, allowance of the claims and the application as a whole are respectfully requested.

Respectfully submitted,
